Property Description:

Casa Oblina is a property located in one of the most attractive areas of downtown Mérida, just one block from Parque de La Plancha and another from the Gastronomic Corridor, making it the perfect spot to enjoy urban life on foot. Designed by Desnivel Arquitectos, this home combines contemporary architecture with a fresh and modern interior design that highlights natural light and local materials. It features three bedrooms, three full bathrooms, and two half bathrooms, offering spaciousness and comfort throughout. In addition, it is fully equipped and move-in ready, with everything needed to live in or rent immediately—just like a high-quality Airbnb-style home.
