## Property Features:

-  122 m2
-  156 m2
-  2 Bedroom
-  N/A
-  2.5 Bathroom
-  2
-  Yes

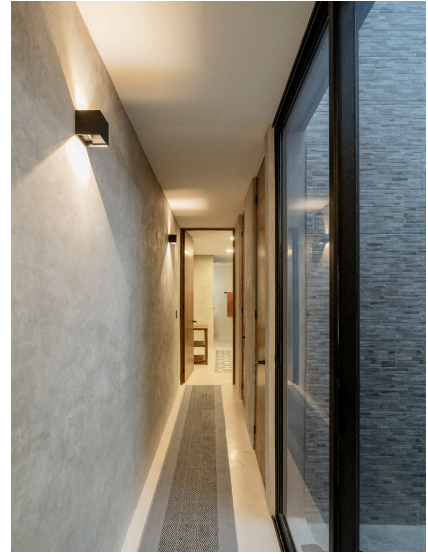

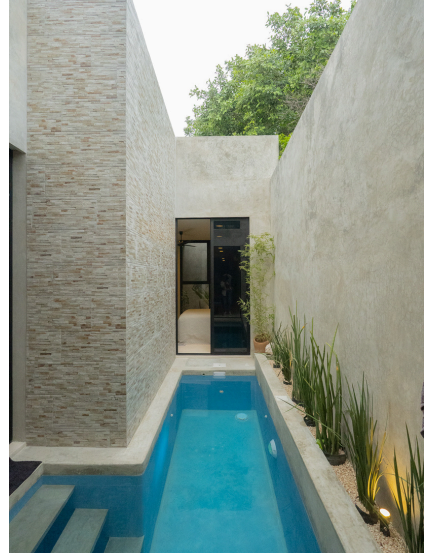

## Property Description:

Beautiful home located in the Santiago neighborhood, one of the best areas to live in the historic center. It offers all the conveniences of city living, with nearby access to supermarkets, pharmacies, restaurants, bars, and more. Just steps away from Santiago Park, where you can enjoy delicious local food and traditional regional dance performances, the location is truly unbeatable. The house was designed to provide comfort, freshness, and style, with every detail thoughtfully planned for practical, problem free living. The construction is entirely new, with spacious, well lit, and well ventilated areas. Perfect for living or renting, it is being sold fully equipped and furnished, ready to be used from day one.
